The following quote came from a client in December 2003. Wiley performed for a large audience of children and their families at Stanford Children's Hospital.

Sandi Vargas, via Headliner Productions, wrote the following:

"Patrick, I can not remember having more pride and joy in being associated with such a warm, positive event that brought relief and smiles to families who are facing such grave family situations at a time when they would much rather be home enjoying the holidays and a degree of 'normalcy.'

Wiley delivered fun, song, smiles and LOVE to each and every one of the families with his unique style that helped transport all of us to a safe place - - away from the pain and the reality of such heartbreaking stories.

Thanks to you for recommending a miracle-worker who truly transported the suffering hearts of these challenged children. I can honestly say that I have NEVER been so happy to be part of such a magically event that is largely owed to Wiley's incredible gifts.

We look forward to working with Wiley and you again in the future.  
Best wishes for wonderful holidays.

Sandi Vargas

PS YES! The client is still raving about it, hearing endless thanks and warm messages for the lucky families who were under Wiley's spell!"
