Children of all ages are Singing! Singing!

Latest CD release from Jump for Joy Music is an around the world adventure for the whole family

Palo Alto, CA – March 1, 2007: Jump for Joy Music announces its latest CD release, “Singing! Singing!” featuring songs that take the whole family on an adventure around the world. With irrepressible fun, Jump for Joy Music bounds onto the stage and into the hearts of their listeners. In a unique approach to children and family concerts, this eclectic group combines rock, folk, rap and world beat into a non-stop celebration of multi-generational music. “My daughter loves it,” “Great,” and “My kids have memorized your CD,” are some of the many comments offered in response to this musical offering, filled with super fun blues, loads of laughter, and heart-warming story telling songs.

“Wiley Rankin is a great player,” says Jim McCarty, founding member of the Yardbirds and a member of the Rock and Roll Hall of Fame. Wiley has played with the Yardbirds at Slim’s in San Francisco, has been featured on The Disney Channel’s songwriter showcase, “Coming On,” and has been featured on nationally syndicated radio, along with stations KMEL, KRQR, and KFOG. In addition, Mr. Rankin has performed at Carnegie Hall.

Sandy Vargas, via Headliner Productions, stated after a concert at Lucile Packard (Stanford) Children’s Hospital, “Wiley delivered fun, songs, smiles and LOVE to each and every one of the families with his unique style that helped transport all of us to a safe place.” Ms. Vargas added, “I can honestly say that I have NEVER been so happy to be part of such a magical event that is largely owed to Wiley’s incredible gifts.”

On Saturday March 24 at 2 PM, a CD release party for “Singing! Singing!” at Linden Tree Books in Los Altos will feature the happy sounds of a family concert, with a children’s chorus, group dancing, and comedy. The event is also an opportunity to help New Orleans preschools, as a portion of the proceeds are earmarked for We Care New Orleans, a group dedicated to rebuilding the preschools of New Orleans.

“Singing! Singing!” is now available at www.cdbaby.com/cd/jumpforjoymusic and www.jumpforjoymusic.com. A songbook and additional classroom materials will also become available in June, 2007.
